

Just as craft beer brewers put all their experience and passion into producing and maturing a unique beer, we at HINTERKOPF have applied our german engineering know-how and craftsmanship into developing the presumably best digital printing machine in the world.

So what could be better than combining the best of both worlds? Perfect taste INSIDE as well as perfect decoration OUTSIDE the can – highest pleasure for the palate and eye.

PERFECT PRINTING QUALITY

AND PERFORMANCE

HIGH FLEXIBILITY

OPTIMUM WORKFLOW, EASY HANDLING

HIGH PROFITABILITY

ENVIRONMENTALLY FRIENDLY
